

NAME: _____ CLASS: _____ DATE: _____

COLLABORATION

Collaboration means cooperating with others in doing some daily activities and to collaborate means to work together.

Therefore, we can collaborate with different people at different places and time.

Collaboration with colleagues at school

We need to study together happily and peacefully at school by doing the following;

- a) Studying in groups through discussion
- b) We can form cultural groups such as drama clubs and choirs
- c) We may form sports group like football and netball teams.
- d) We may perform out class tasks together. These may include environmental cleanliness, garden work and academic performances.

-If we need to collaborate well with colleagues, you should do the following: -

- a) Be able to listen others
- b) Respect the ideas of everyone in the group
- c) Do your part.
- d) Help those who cannot
- e) Appreciate the ability of others in doing tasks.
- f) Work hard with others and on your own to make sure you succeed in your work.

Impact of non-cooperation with colleagues at school.

-Lacking cooperation with colleagues at school can lead to many problems.

-We may lose many things if we do not cooperate.

Some of the loses of not cooperating with colleagues include:

- i) Poor academic performance
- ii) We can become selfish
- iii) Lead to misunderstanding
- iv) You might not able to collaborate with others when you grow up.
