## **RE: EQUIVALENCE OF KENYA CERTIFICATE OF SECONDARY EDUCATION (KCSE) TO TANZANIA CERTIFICATE OF SECONDARY EDUCATION (CSE)**

Please refer to the subject above.

The Kenya Certificate of Secondary Education (KCSE) issued in Kenya, by Kenya National Examinations Council (KNEC) is equivalent to the Certificate of Secondary Education (CSE) issued in Tanzania by the National Examinations Council of Tanzania (NECTA).

Comparison of Certificates issued by the two Boards of Examinations is as follows:

KENYA KCSE GRADES		TANZANIA CSE GRADES
A, A <sup>-</sup>	- Very Good	A - Excellent
B <sup>+</sup> , B, B <sup>-</sup>	- Good	B - Very Good
C <sup>+</sup> , C, C <sup>-</sup> D <sup>+</sup>	- Average	C - Good
D, D <sup>-</sup>	- Weak	D - Satisfactory

It is our hope that given this background any organization will be able to make the right decision regarding **your** education qualifications in view of their admission criteria.

Yours sincerely,
